Motion to consider AUC #39: Matt Lechter

Second: Jay Bry

Discussion: clarify that leave of absence is more transparent in the fact that they will be approved only for one semester rather than two semesters without written reason.

(Bry) Is the procedure for requesting changes in regards to the return from leave of absence?

(Cormier) The accounts will be reactivated through an advisor, if medical or military, students must go through student affairs. Turning Practice into procedure.

(Lecter) Two semesters to one semester?

(Cormier) Due to financial regulations a student cannot be on leave of absence for more than 180 days so in practice it would be more transparent in regards to written policy.

(Carlson) how will this affect students?

(Cormier) this will not change much for students, it will change the avenue they come back by, clarifying the practices. The policy is catching up to practices.
