

Students enrolled in the MBA program who have a GPA of 3.00 or higher after at least one semester of enrollment may request enrollment in one of the approved dual concentration options listed below. Students approved for a dual concentration will need to meet the requirements for the catalog year in which their dual concentration is approved.

Students enrolled in a dual concentration must complete the course requirements for each concentration. Each course in the program may only be counted once. Students in a dual concentration will complete a total of 39 credits.

This form must be completed electronically.

You can download this form to complete using Adobe Acrobat before printing to obtain signatures.
