

Overview

This guaranteed admission agreement between Quinsigamond Community College's (QCC) Registered Nurse (RN) program and Fitchburg State University's online RN to Bachelor of Science (BS) in Nursing program confirms that all students admitted into QCC's RN program will be given the additional option of guaranteed admission into Fitchburg State's Online RN-BS in Nursing program, pending the successful completion of their RN degree at QCC and confirmation of their valid nursing license in good standing.

Admissions Process

Students accepting the option of admission into Fitchburg State's RN-BS in Nursing program will be placed into a "Pending Admission" status. Students are guaranteed admission if they successfully graduate with all required courses at QCC and have a valid nursing license in good standing.

Student Obligations

Additionally, students must earn a grade of 77 (C+) or higher in BIO 232 (Microbiology), BIO 111 (Anatomy and Physiology I), and BIO 112 (Anatomy & Physiology II) prior to registration at Fitchburg State. "Pending Admission" will change to "Regular Admission" status once students have submitted their final QCC transcript showing completion of the ADN program with a minimum overall 2.5 grade point average and their valid nursing license in good standing is confirmed. To remain qualified for guaranteed admission at Fitchburg State, students must be consecutively enrolled at QCC and begin the program at Fitchburg State the fall semester directly following completion of their QCC program.

Student Benefits

Students who have been admitted to Fitchburg State through this guaranteed admission process will have access to an assigned University representative to help answer any questions they have throughout the process. Students will also be invited to participate in all health and nursing related special events on campus such as speaker series or student-focused events. Academic credits earned as part of the required RN program at QCC will be applied towards the bachelor's degree at Fitchburg State University.

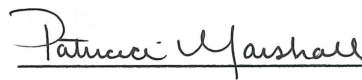

Terms of the Agreement

This agreement has been renewed November 2024 and is in effect through November 2027.

Either party may terminate this agreement at any time with 30 days written notice. Any student admitted through the guaranteed admission process prior to the termination of this agreement will be allowed to continue through the agreed upon pending admission process.
