Remote Placement Testing Locations for Fitchburg State University Students

Students who live a distance from Fitchburg may opt to take placement testing at a location closer to their home. Below is a list of state colleges that offer placement testing to students not affiliated with their school. These test sites may charge a fee for students to test at their test site, which is the responsibility of the student to pay. There may be other testing sites or schools that offer College Board Accuplacer testing, this is not a comprehensive listing. It is the responsibility of the student to contact a remote testing facility and make arrangements for placement testing. The Fitchburg placement testing office can help create a test voucher if required by the remote test site.

The tests that are administered at Fitchburg include:

College Board Accuplacer WritePlacer Test
College Board Accuplacer Next Generation Quantitative Reasoning, Algebra, and Statistics
College Board Accuplacer Next Generation Advanced Algebra and Functions

 If you are unclear which test you are required to take, please contact the Placement Office at (978) 665-3499.
