2. Proposals Under Consideration

- a. AUC001: [Academic Calendar 24-25 & 25-26](#) (Franca Barricelli)

Motion to recommend for approval AUC 1 Liz Gordon, Second Hong yu

Franca disclosed that new addition AY 24-25 calendar is College Scheduler to replace Web 4, everything else is same as what was presented last year for AY 24-25

AY 25-26 same as previous recent years, (residence halls open labor day, development day will be on Tuesday, classes begin Thursday, reading days remain)

Question: Is College Scheduler now the only way to add or drop classes. Response, Web 4 should be buried but students are still finding it. Currently Web 4 still works if students find it, but the move will be to solely use College Scheduler.
