

MOUNT WACHUSETT COMMUNITY COLLEGE and FITCHBURG STATE UNIVERSITY

Mount Wachusett Community College and Fitchburg State University agree to enter into an articulation agreement in the following academic disciplines:

*Biology, Chemistry or Liberal Arts & Sciences
and
Middle School or Secondary Education*

This agreement is set forth by Mount Wachusett Community College and Fitchburg State University in an effort to delineate a transfer student's best options in course selection. This document outlines advising recommendations, curriculum options, and course equivalencies where they exist. It signifies the ongoing commitment between these two institutions of higher education to promote coordinated curricula of the highest quality. As such, it bears with it the commitment of our respective faculty, and administrative staff to strengthen these ties and address the needs of our students in a mutually beneficial manner.

Students graduating from the Mount Wachusett Community College in the Biology, Chemistry or Liberal Arts and Sciences programs with a qualitative grade point average of 2.0 or greater may transfer to one of Fitchburg State University's Middle School or Secondary Education programs between 61 and 75 transfer credits.

Terms and Conditions of Transfer

- A. Students graduating from the Mount Wachusett Community College's Associate of Science in Biology or Chemistry or Associate of Arts in Liberal Arts and Sciences, with a qualitative grade point average of 2.0 or greater, and upon completion of Fitchburg State University's admissions requirements, are guaranteed acceptance into one of the following Middle School or Secondary Education programs: Biology (8-12), Chemistry (8-12), English Studies (5-12), History (5-12), Interdisciplinary Studies Major with a General Science Initial Teacher License (5-8) or Mathematics Middle Level (5-8) or Mathematics, Secondary Education (8-12).
- B. In addition, between 61 and 75 transfer credits of these associate degree programs, will be accepted and applied to one of FSU's Middle School or Secondary Education programs.
- C. Students will be advised to complete the prescribed coursework, and electives, as listed in the attached program crosswalks (Appendix A). Failure to follow these recommendations may result in additional coursework requirements and longer time to degree completion at Fitchburg State.
- D. In order to prepare to transfer to Fitchburg State University, MWCC students will take three Education courses at Fitchburg State University. MWCC students will take BIOL/CHEM/HIST/MATH/SCI 1860 - Introduction to Education 5-12 or ENGL 1400 Introduction to Teaching English, EDU 2011 - Diversity in Ed. (5-12) and EDUC 2012 -

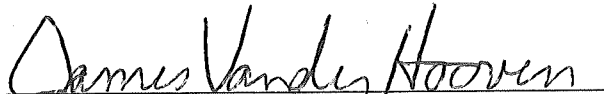

Teaching for the Adolescent Learner at Fitchburg State University at the same rate of tuition and fees that they pay at MWCC.

- E. Mount Wachusett Community College agrees to provide the data needed to create a Banner id at Fitchburg State University for the students participating in this program: name, date of birth, address, phone number, email address and social security number (social security numbers are only needed for Student Accounts to provide tax forms).
- F. Mount Wachusett's Financial Aid Office will create a consortium agreement for participating MWCC students so that financial aid can be used toward the cost of the three Fitchburg State University courses taken concurrently with MWCC courses.

Acknowledging that students may transfer from a wide variety of majors, this agreement does not prohibit transfer to, or from, other programs of study at either institution. This agreement outlines the optimal transfer route from Mount Wachusett Community College to Fitchburg State University for students pursuing a career in the fields of Middle School or Secondary Education.

This articulation agreement does not supersede or in any way alter the statewide MassTransfer agreements currently in existence. Similarly, students taking advantage of the MassTransfer are encouraged to utilize these articulation agreements in preparation for their transfer to Fitchburg State University.

Signed on this day, 10/12/23

Dr. James Vander Hooven
President
Mount Wachusett Community College

Dr. Richard S. Lapidus
President
Fitchburg State University
