INDEPENDENT ACCOUNTANT'S REPORT ON MANAGEMENT'S ASSERTIONS ON COMPLIANCE
WITH SPECIFIED REQUIREMENTS APPLICABLE TO THE MASSACHUSETTS OFFICE
OF STUDENT FINANCIAL ASSISTANCE PROGRAM CLUSTER

The Board of Trustees
Fitchburg State College
Fitchburg, Massachusetts

We have examined management's assertions, included in its representation letter dated October 13, 2009, that Fitchburg State College complied with the following compliance requirements as specified in The Massachusetts Office of Student Financial Assistance Attestation Guide (Fourth Edition, April 2007) for the year ended June 30, 2009:

- Institutional eligibility
- Student eligibility
- Reporting
- Disbursements
- Refunds

As discussed in that representation letter, management is responsible for Fitchburg State College's compliance with those requirements. Our responsibility is to express an opinion on management's assertions about Fitchburg State College's compliance based on our examination.

Our examination was made in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in Government Auditing Standards issued by the Comptroller General of the United States and, accordingly, included examining, on a test basis, evidence about Fitchburg State College's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on Fitchburg State College's compliance with specified requirements.

In our opinion, management's assertion that Fitchburg State College complied with the aforementioned requirements for the year ended June 30, 2009 is fairly stated, in all material respects.

This report is intended solely for the use of the Department of Higher Education of the Commonwealth of Massachusetts, the Office of the State Auditor, the Office of the State Comptroller of the Commonwealth of Massachusetts and the Board of Trustees, management and others within Fitchburg State College, and is not intended to be and should not be used by anyone other than these specified parties.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.
