

CELEBRATION
of Faculty Excellence
Ceremony

TUESDAY, MAY 21, 2019
HOLMES DINING COMMONS

Welcome to the third annual Celebration of Faculty Excellence, where we highlight achievements of distinction among our professoriate.

The accolades bestowed today recognize faculty members for their commitment to scholarship and research, excellence in teaching, contributions to course and curriculum innovation, and service to our university community. We also join our colleagues to celebrate the milestone of promotion, tenure and emeritus status.

The celebration recognizes individual faculty members for excellence, but also brings us together as a scholarly community to acknowledge the academic units, programs, and partnerships that benefited from this meritorious work and helped foster it.

Through this public acknowledgment and appreciation of the efforts and achievements of faculty members, we hope to inspire others to continue the demanding and valuable work involved in teaching, scholarship, and community engagement.

I am honored to be part of this annual tradition of celebrating the individual and collective accomplishments of our faculty, and I look forward to working with you to achieve even greater success in the future.

Sincerely,

DR. ALBERTO J.F. CARDELLE
Provost and Vice President for Academic Affairs
