

**SPRINGFIELD TECHNICAL COMMUNITY COLLEGE**  
**and**  
**FITCHBURG STATE UNIVERSITY**

Springfield Technical Community College and Fitchburg State University agree to enter into an articulation agreement in the following academic discipline:

*Associate in Science in Nursing*  
*and*  
*RN to Bachelor of Science in Nursing*

This agreement is set forth by Springfield Technical Community College and Fitchburg State University in an effort to delineate a transfer student's best options in course selection. This document outlines advising recommendations, curriculum options, and course equivalencies where they exist. It signifies the ongoing commitment between these two institutions of higher education to promote coordinated curricula of the highest quality. As such, it bears with it the commitment of our respective faculty, and administrative staff to strengthen these ties and address the needs of our students in a mutually beneficial manner.

Students graduating from the Springfield Technical Community College in the Associate in Science in Nursing (NURS.AS) program with a qualitative grade point average of 2.5 or greater, with a valid nursing license in good standing, may transfer to the RN to Bachelor of Science in Nursing program between 70 and 88 transfer credits.

Additionally, students must earn a grade of 77 (C+) or higher in BIO 235 Microbiology, BIO 231 Anatomy & Physiology 1, BIO 232 Anatomy & Physiology 2 in order for these courses to transfer.

As of the date of the signing of this agreement, the cost per credit is \$311 for RN to BS in Nursing courses. The cost is subject to change.

Acknowledging that students may transfer from a wide variety of majors, this agreement does not prohibit transfer to, or from, other programs of study at either institution. This agreement outlines the optimal transfer route from Springfield Technical Community College to Fitchburg State University for students pursuing a career in the field of Nursing.

This articulation agreement does not supersede or in any way alter the statewide MassTransfer agreements currently in existence. Similarly, students taking advantage of the MassTransfer are encouraged to utilize these articulation agreements in preparation for their transfer to Fitchburg State University.
