

HOLYOKE COMMUNITY COLLEGE and FITCHBURG STATE UNIVERSITY

Holyoke Community College and Fitchburg State University agree to enter into an articulation agreement in the following academic discipline:

Criminal Justice- Transfer Track (CJT)
and
Criminal Justice – Police Program

This agreement is set forth by Holyoke Community College and Fitchburg State University in an effort to delineate a transfer student's best options in course selection. This document outlines advising recommendations, curriculum options, and course equivalencies where they exist. It signifies the ongoing commitment between these two institutions of higher education to promote coordinated curricula of the highest quality. As such, it bears with it the commitment of our respective faculty, and administrative staff to strengthen these ties and address the needs of our students in a mutually beneficial manner.

Students graduating from Holyoke Community College in the Criminal Justice – Transfer Track program with a qualitative grade point average of 2.0 or greater may transfer to the Fitchburg State University Criminal Justice - Police Program with up to 60 transfer credits with the following conditions.

Municipal Police Training Committee, (MPTC), the governing body for the Police Program, requires certain core Police Program courses be taught by MPTC trained instructors. Therefore, Fitchburg State University cannot offer credit for Holyoke Community College's CRJ 209 Police and Society for students entering the Criminal Justice - Police Program. Police Program students will need to take Theory and Practices of Policing at Fitchburg State University.

Acknowledging that students may transfer from a wide variety of majors, this agreement does not prohibit transfer to, or from, other programs of study at either institution. This agreement outlines the optimal transfer route from Holyoke Community College to Fitchburg State University for students pursuing a career in the field of Criminal Justice.

This articulation agreement does not supersede or in any way alter the statewide MassTransfer agreements currently in existence. Similarly, students taking advantage of the MassTransfer are encouraged to utilize these articulation agreements in preparation for their transfer to Fitchburg State University.
